

# Black History Month Money Advice Special

October 2014

It is often said that “There is more to happiness and life than money!”

Research claims peace of mind and the fulfilment of dreams come top each and every time. Yet, it's still important that you plan and prepare for your financial well-being.

*“The ultimate measure of a person is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.”*

*Martin Luther King, Jr*

Many people are facing an unpredictable financial climate and as part of the Black History Month celebrations Aleka Gutzmore will be hosting a series of discovery sessions to help you plan for your financial independence. Attendees will learn flexible but valuable strategies around five key stages of their life using this powerful financial tool.

Investments/Debt

Enterprise

Old Age

Disability

Death

This informative discovery session will help you introduce realistic and pragmatic steps to become debt free and gain the financial security you want. So if you are:-

- Facing financial uncertainty
- Financial stagnation
- Looking to protect your family's future or
- Planning for your retirement

Be part of a select group of people who are serious about their financial growth. Whether you are planning for your personal or business finances invest in your future with Aleka Gutzmore. It's no secret that you have to plan for your success so Book Now for your personal 90 minute session where you will discover a wealth of opportunity.

\*Usual cost £75
